***Response to Amendment***

The amendment filed on 04/04/06 is sufficient to overcome the prior art reference.

***Allowable Subject Matter***

The following is an examiner's statement of reasons for allowance: Claims 1, 13 and 17 are allowable because the prior art of record fails to disclose or suggest or teach the recited outer and inner bushings between a pair of horizontal brace members; one of said cross braces being in a W-like configuration and extending from a corner formed by the outer and leading frame members to one of said pair of horizontal brace members at the location of the outer bushing and then to the midpoint of the leading frame member and then to the one of the pair of horizontal brace members at the location of the inner bushing and then to a corner formed by the inner and leading frame members; and another of the cross braces being in a W-like configuration and extending from a corner formed by the outer and trailing frame members to the other of the pair of horizontal brace members at the location of the outer bushing and then to the midpoint of the trailing frame member and then to the other of the pair of horizontal brace members at the location of the inner bushing and then to a corner formed by the inner and trailing frame members.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
